## Invitation to 6<sup>th</sup> APHRS & CardioRhythm 2013

On behalf of the Organizing Committee, it is my pleasure to invite you to attend 6<sup>th</sup> APHRS & CardioRhythm 2013. The conference will be held 3 – 6 October 2013, in Hong Kong, Hong Kong Convention and Exhibition Centre.

This meeting will be an important scientific gathering of physicians and scientists from many countries throughout the world who specialize in cardiac pacing and electrophysiology. New information will be presented at the meeting that will help you advance your practice when you return to your country. I know that it is necessary for you to apply for travel permission well in advance, which accounts for my extending this invitation to you at this time.

It should be understood that this invitation is only meant to help you raise travel funds or to obtain a visa and is not a commitment on the part of the 6<sup>th</sup> APHRS & CardioRhythm 2013 to provide any financial support. We hope you will register and take part in the meeting.

Sincerely,

Conference Secretariat

Phoebe Au
